Rosie and Elodie

Good to speak with you last week.

I'm pleased to say that HGF is minded to make a grant of £10k towards your new production on consent and sexual harassment touring in early 2023.

We will finalise details in September and I will confirm funding arrangements then.

In the meantime please let me know of any queries.

All the best and stay cool!

Stephen

Of course. I'll ask Rosie to do it, since I don't have access to the Zoom account.

Hi Stephen,

Rosie and I have had our catch up, so I was wondering if you would like to book in a quick Zoom call, to talk what our upcoming plans are and how Hemraj Goyal Foundation might be able to support?

Kind regards,

Of course, there's absolutely no expectation from our end. We have been very grateful for your support, regardless of if you are able to provide any more financial aid.

I will let you know mine and Rosie's thoughts once we have met up.

Thanks Elodie.

Yes, the Foundation is happy! Funding is tight at the moment so what I can't guarantee is how much we can provide but I will keep you posted.

All the best

Hi Stephen,

That's great news.

Rosie and I are meeting on the 13th of July to have a catch up and discussion about our plan of action for the rest of the year. Would it be OK if we replied to this properly after that?

I'm glad the foundation was happy with the last tour's reach! I think considering the circumstances, it went really very well.

Kind regards,
Elodie Bass

Rosie and Elodie

Hope all is well.

We may be able to find a small bit of funding to support your work later this year. Is there anything you particularly need funding for and how much? I know you mention this autumn's and next spring's tours but I'm not sure how much will be available at this stage.

As previously mentioned, we were pleased with the reach (number of schools/students) of In Harm's Way earlier this year.

Please let me know of any queries.

All the best
Stephen
